

General Services Administration (GSA) Multiple Award Schedule (MAS)- Consolidated

Mission

The GSA Multiple Award Schedules (MAS) Consolidated offer federal, state, and local agencies the ability to meet acquisition challenges while achieving their missions in a streamlined, effective commercial contracting vehicle using Federal Acquisition Regulations (FAR) 8.405 ordering procedures. The GSA MAS Consolidated Schedule provides federal agencies the ability to use a single, long-term, government-wide contract to procure a wide range of professional services.

Status

GSA schedules have no dollar ceiling; in fact, GSA schedule sales totaled \$32 billion in the 2018 fiscal year. LinQuest has delivered acquisition, planning, and full systems engineering and integration (SE&I) services through task orders on GSA schedules.
